Dear John,

I was glad to have your note of 18 September. We have now advertised our opening for a Staff Historian in AHA's Perspectives for September, and in this week's Chronicle of Higher Education. I've only asked for a vita and short writing sample, so I think that we have everything we need from you. The application deadline is 15 October, and I should be able to let you know how you stand soon after that.

I'm glad that you've had a chance to meet [redacted] at DIA, and Walter Pforzheimer. You should get Walter to show you his splendid collection of spy books and manuscripts, which I think he plans to leave to the Beinecke Library at Yale..

It was very good to have a chance to talk with you last month, and I look forward to seeing you again, now that you've taken up residence here.

With all good wishes,

Yours sincerely,

J. Kenneth McDonald
Chief Historian
